INDEX..1 (after 491)

It has been over sixty years since a regular so called History of Posey County, Indiana has been written. Much orginal source material has been destroyed and lost forever. While several histories have been written none had been done taken from legal records. The authors started over 30 years ago to study, collect, and copy court records. Many records avialable then have since been lost or destroyed. While most serious researchers say that Posey County has the most complete set of records in the state of Indiana, there are still many missing links. Several serious efforts have and are being made to preserve court records. Microfilming is now done of the clerks records. Microfilming of several of the early records was done by the state and copies are in the State Library. Alot of the early actual papers are on file in the State Archives the Workingmen's Institute has some early duplicate copies of deed indexes etc. The old actual estate reocrds are now kept under lock and key as are the present probate records.

Both compilers come from old Posey County families having ancestors in the county as early as 1807, possibly 1804. Educated in Posey County Schools, they started their study in 1949 and have steadly studied and collected records of historical and genealogical nature. They soon discovered that many errors occured in previously published histories. This lead to their study of probate records. From these probate records they learned that most of our anestors did not come into Posey County in dire poverty and that many luxuries were present in their estate records even before 1820. They also discovered many slaves held in Posey County thru the 1830 era of time. By the 1830's Welfare was the top county expense and has so remained through present times. In the 1820's there was from one extreme of society to the other extreme. In New Harmony and Cynthiana homes were built that contained the best of books, china, clothing that money could buy while in MARRS and POINT Twp. outlaws and river pirates lived as hunted animals. At a later period of time various members of the JAMES and DALTON GANG came through Posey County and some stayed several months at a time.

It is the aim of the compilers that the information in these volumes can be found in various legal docoments and records so that it can be used as stepping stone for those seeking information and proof for linage organizations. It is also hoped that it will be considered an accurate account of what really has gone on in Posey County the past 150 years.

Many people have helped in the preperation of this volume. A special thanks to the many public office holders who have been most tolerate and graceful while we have searched their records.

To MARY ROSE WEBER thanks for her most generous gift of old papers from her late husbands files, they often gave the missing clue on heirs of estate settlings.

To BETTY B. BECKER the present clerk of Posey Circuit Court,1981 for her patience,kindness, and encourgagement.

To STEVE C. BACH the present judge of POSEY CIRCUIT COURT for realizing the need for preserving old records.

To DON MILLER former Auditor and Recorder of POSEY COUNTY for his encouragement and help in preserving the old records of Posey County.

To DIANA BOYLES the present Auditor of POSEY COUNTY for her coroperation in helping preserve the old records of Posey County.

To JOHN NEWMAN and members of his staff in the INDIANA STATE ARCHIVES who were most gracious while we have done research in the POSEY COUNTY ARCHIVES.

To the BOARD OF THE WORKINGMEN'S INSTITUTE,ALINE COOK,ROSEMARY ALSOP, KATHERINE CRAWL, and JOSEPHINE ELLIOTT for their cooperation and help while we were reading the Archives and Account Books on file in the Workingmen's Institute.

To JAMES L. STALLINGS for permission to use the STALLINGS DIARY.

And to the countless other people who took the time to talk with us and often sharred imformation from their bibles,abstracts, and other family items with us.

Last but not least to our sons JOHN,THOMAS, and DAVID COX whose patience with their parents while we gathered material for this book,has been most appreciated.

A HISTORY OF POSEY COUNTY
INDIANA

This is the first of a series of volumes recording the history of POSEY COUNTY, INDIANA. This first volume contains imformation taken from the various so called PROBATE RECORDS, the COUNTY COMMISSIONER RECORDS, TAX LISTS, EDUCATION RECORDS, DIVORCE RECORDS taken from CIVIL RECORDS, information taken from the various store account books at THE WORKINGMEN'S INSTITUTE and an early STALLINGS DIARY.

The second volume will deal with CIVIL, CRIMMAL, BIRTH, DEATH, SCHOOL, CHURCH, and CENSUS RECORDS. It will also list early doctors, the naming of the areas, and businesses and organizations. The military history will start with a listing of close to 40 REVOLUTIONARY WAR SOLDIERS who either lived or are buried in POSEY COUNTY. Those taking part in the Battle of Tippecanoe will also be listed. A listing of Civil War Soldiers will also be listed.

This second volume will also deal with the many Social Societies that were formed after the Civil War. A history of the Negro in Posey County will also be given listing many names starting as early as 1807.

The third volume will be of a genealogical nature listing the 1820 census and imformation of the families who stayed in Posey County. It will also include BIBLE RECORDS and other genealogical material including imformation on these families prior to their living in Posey County. Some pictures of early Posey County buildings etc. will also be in the third volume.

Material for this volume has been gathered from the records on file in the POSEY COUNTY CLERK'S OFFICE, THE POSEY COUNTY AUDITOR!S OFFICE, THE POSEY COUNTY RECORDER'S OFFICE, THE INDIANA STATE LIBRARY, THE INDIANA STATE ARCHIVES, THE WORKINGMEN'S INSTITUTE, THE ALEXANDERIAN LIBRARY at MT. VERNON, KNOX COUNTY COURT RECORDS. Some records that were copied from COURT HOUSE RECORDS have been destroyed in the past 30 years by water damage. Copies of many of the early records are in the State Archives, Workingmen's Institute, Indiana State Library, and Fort Wayne and Allen County, Indiana library.

In the listing of PROBATE RECORDS as well as DIVORCE RECORDS two dates have usually been used. The first is the earliest date found in court records and the latter date the final settlement or closing date. Proof of heirship is most generally found close to the closing date.

POSEY COUNTY PROBATE RECORDS ARE ON FILE IN THE COUNTY CLERKS OFFICE STARTING in 1815 THROUGH THE PRESENT TIME. THE STYLE AND QUANITY OF RECORDS HAVE CHANGED THROUGHOUT THE YEARS. THE QUALITY OF THE RECORDS HAS ALSO BEEN DIFFERENT FROM ONE CLERK TO ANOTHER. THE LAW CHANGES HAVE ALSO AFFECTED THE IMFORMATION THAT IS REQUIRED. AT LEAST HALF OF THE ESTATES RECORDED DO NOT LIST HEIRS. SOME LIST OF HEIRS ARE NOT COMPLETE DUE TO FAMILY QUARRELS ETC. FORTUNATELY FOR PERSONS HUNTING GENEALOGICAL MATERIAL THESE HEIRS CAN USUALLY BE FOUND IN A TITLE CLEARANCE SUIT ETC. MANY ESTATES THAT WERE SMALL LIST NOTHING OTHER THAN THE WIFE. SOME EARLY ESTATE PAPERS BUT NOT THE BOOKS HAVE BEEN IN THE STATE ARCHIVES FOR QUITE SOMETIME. MR. AND MRS. COX HAVE RESEARCHED THESE PAPERS AND TAKEN THE GENEALOGICAL MATERIAL FROM THEM. THERE IS HOWEVER A SOURCE OF THE ESTATE IN THE POSEY COUNTY CLERKS OFFICE.

THE DATE LISTED IN THESE TWO LISTS OF ESTATES IS A DATE WHEN THERE WAS COURT ACTION OF SOME KIND ON THE ESTATE OR GUARDIANSHIP. WHILE THE ESTATE OR GUARDIANSHIP MIGHT HAVE BEEN ENTERED AT AN EARLIER PERIOD OF TIME IT MIGHT STILL BE IN COURT FOR AS MUCH AS TEN YEARS LATER.

THERE ARE A FEW INSTANCES OF ADOPTION WHICH AT AN EARLY TIME WERE NOT CLOSED IN POSEY COUNTY. THERE ARE ALSO A FEW DEPOSITIONS STATING THAT VAROUS MEN DID REVOLUTIONARY WAR SERVICE.

IN SEVERAL CASES LIST OR PROOF OF HEIRSHIP HAVE BEEN TAKEN FROM CIVIL LAW SUITS,DEEDS,AND DEPOSTIONS.

THE COMPILERS OF THESE RECORDS HAVE WORKED AMONG POSEY COUNTY PROBATE RECORDS FOR THIRTY YEARS. AN ATTEMPT WAS MADE TO LIST HEIRS IN ESTATES ENTERED UP TO 1860,AFTER THAT PERIOD OF TIME MANY WERE SIMPLY LISTED AS BEING IN COURT AT THE GIVEN TIME.

WHILE THERE MAY HAVE BEEN A FEW ESTATES MISSED THAT HAVE GONE THROUGH POSEY COUNTY PROBATE COURT AT LEAST 75 PER CENT PRIOR TO 1900 HAVE BEEN LISTED. A FEW ESTATES ENTERED IN EITHER GIBSON OR KNOX COUNTY PRIOR TO THE FORMATION OF POSEY COUNTY HAVE ALSO BEEN LISTED.

THE SPELLING USED IN ALL OF THE COPIED RECORDS IN THIS BOOK IS AS IT HAS APPEARED IN THE COUNTY RECORDS. BOARD MAY BE BORD,JAIL_GOAL ETC. THE SPELLING OF NAMES IS SOMETIMES ENTIRELY DIFFERENT FROM PRESENT SPELLING.

POSEY COUNTY DIVORCE RECORDS 1818-1900

While Posey County is considered as being the start of WOMENS RIGHTS in the United States because of FRANCIS WRIGHT having lived in NEW HARMONY few people are aware that no fault divorces were granted in Posey County before her residence. There were battered and abused wives but there were also those who demanded and got their rights. The women of one family partically were standing on their own from the beginning of Posey County. The daughters of THOMAS ROGERS entered their own land,went to church, became witness in court,learned to shot as well as their men, and when their husbands left or mistreated them they went into court and not only got a divorce but also got their dowers back and alimony. They along with other pioneer women went to public sales,became adminstrators of their husbands estates. One a Mrs. Pitts carried a petition before the County Commissioners in 1833 in behalf of better education in Posey County. While the women in New Harmony were doing all these things,the other women of the county were also doing it. Nor were they above slugging it out both physically and legally in the court room. Some of the more interesting cases have been listed.

The divorces listed have been taken from civil records on file in the Posey County Clerks Office. Not all divorces have been listed but at least 75 percent of those prior to 1850 are listed,along with children if listed,and if one is out of state it is also listed

The date given is a period of time it was in court.

A TERRITORIAL CENSUS OF INDIANA taken in 1807 is the first actual source of proof for the actual residence of many of the early families in Posey County. There are several printed articles and booklets that give a much earlier date for residence but these use as their source family records and traditions. The sherriff was ordered to take a census of all the free white males over 21. Posey County was at that time Knox County. In a list published in 1980 by the Indiana Historical Society the following names are found that are found within the next ten years in Posey County Court records.

Petitions to the various forms of government prior to 1815 yield many Posey County names.
In federal petitions and lists in 1816 is the listing of some of the widows of men killed at the BATTLE OF TIPPECAUNE November 7,1811. Included in this list is EDWARD BUTNER a pension for his widow and children and the remark "widow remarried Sept.26,1813. Also mentioned is DANIEL FISHER saying that his widows pension started November 11,1811.

Two petitions to the Indiana Territorial Government asking for the appointment of a Justice of Peace give the names of many early settlers. One dated February 14,1807 is apparently signed by those living near Mt.Vernon while the one signed March 16 1808 are those living aroundthe West Franklin area. At this period of time the entire area along the river was considered a no mans land.

The hilly area in southern Marrs Twp. made an ideal area for thiefs and robbers to hide. The same men using the Cave-In-Rock area for their head quarters were also active in the Posey County area along the Ohio River. In 1807 ANDREW MC FADDIN,HUGH TODD,GIBSON MOORE,CHARLES VANDAVER,JOHN ENYATT,ABSOLOM CHAPMAN,WARNER CLARK,JESSI CAVINS,SQUIRE MCFADIN,MICHEAL JONES,THMOAS GIVENS,SAMUEL ALDREDGE, RUBEN FOX,GEORGE CHAPMAN,JOSHUA CAVENS,SAMUEL JONES,JOHN BURLISON, an ANDREW MC FADIN signed a petition asking that JABEZ JONES be appointed a Justice. In 1808 a petition was filed by the ditzens around the West Franklin area for the removal of JACOB WINMILLER,and the appointment of PAUL CASSELBERRY as a Justice of Peace. Those men whose names later appear in Posey County Court records were, JAMES DENNY,JOHN LANDERS,JOHN CRUNK,DANIEL MILLER,CHARLES CARSON, ROBERT DENNY.

The following people are listed in the Knox County Marriage records who either were then or later lived in Posey County. There is at least one instance where the marriage record does not occur on the Knox County Marriage Record Books but appears in Posey County Circuit Court Records. In the 1820's JANE ROGERS CARTRIGHT in suing SAMUEL CARTRIGHT for divorce states that she was married "in this county in 1811" but it is not recorded in Knox County records.

TAX LISTS

While reference is frequently made to tax relief in the early Commissioners Records the earliest existing tax list that has been found is an 1839 Tax List located in the State Archives. It is is in extreme poor shape and only parts of HARMONY,ROBB, SMITH,and BETHEL have been used. Two tax lists 1844 and 1847 in much better shape have been used in their entirety. Tax records after the age of ten years have always been discared as of no value therefore very few have survived.

The superintendent made the following statements indicating that the care of the poor was a subject of much difference of opinion in 1884. CHILDREN- At this date there are seven children at the Asylum,whose ages range from four months to 14 years. In my report dated September 1,1885 I respectfully submitted reasons why advantage for their benefit ought to be taken by your Honarable Board of the law passed for furnishing them a seperate home until they become self supporting. Should this suggestion be put into effect the mothers of five of these children would cease to become a public charge as they are able bodied and could readily procure employment as domestices. SEPERATION OF THE SEXES. To avoid repetition I respectfully refer your Honorable Board to the suggestions made by me in my reports of March 1883 and September 1884. TRAN_SIENT PAUPERS.__Several able bodied transient paupers were sent to the Asylum during the last six months who could have been,with a considerable saving to the County,shipped by the Trustees on whom they called for relief. These persons I have immediately shipped out of the county,or stimulated them,according to the instructions of the Board,to seek employment away from the Asylum. Owen Cain a resident of Black Township who is suffering from a slight lameness and needed temporary relief from the Trustee,was refused it and ordered from the bosom of his family to the Poor Asylum,clearly in opposition to the spirit of the law. This matter is not referred to because of the additional expense upon me, but for the purpose of remarking that there is little humanity apparent in the wretched economys that would thus break up a family so that the overseer's account would show a few dollars less expenditiure. ASYLUM - I am cofident that the Asylum will afford the necessary accommadation for the county's wards for many years provided the suggestions for seperating the sexes,and the removal of the children and insane persons are acted upon. It's furnishings method of management,and sanitary condition will I am satisfied compare favorably with like situtions in other counties having no larger population.

Dwelling House with the condition of the dwelling house and other offices your Honorable Board are already familiar. Improvements are needed now and have been for years. That they have not been completed is I submit,no fault of mine as I have continually brought the subject under the attention of the board. CRAZY HOUSE,the building known by this name should immediately be put in proper order,as it is in demand for the confinement of violent lunatics in my care, and would save the expense of keeping a man to continually watch them as is now necessary. I would prefer that they should be removed however, as their presence is a continued source of alarm to the other inmates whom they frequently assult. Because Talitha Cater who has become very violent and dangerous within the last year was handed over to me when I received my appointment in 1880,I presume that is the reason why the charge for caring for her rendered in my December 1884 account was disallowed,but I respectfully think it is not a good one. In the meantime the liability of the county in that case may remain in the abeyance. But the other charges for insane persons not substained. I renew your Honorable Board well knows that whereever they are kept in the county or out of it,you always pay for them, and why should not I receive remuneration for their care. FUEL--at the December Session of your Honorable Board I presented for payment an account for fuel supplied by me from September 1 to December 1884 amounting to $62.50 which was disallowed. It was certainly the understanding at the time time I executed my last contract and Bond that the fuel was to be furnished at the expense of the county,as the supply on the farm had become exhausted. As evidence there of a charge of $10.00 made in my account in the previous June, was appsoved by the Board. In the first Bond sent for the signature of myself and sureties,one of the conditions was that I was to furnish the fuel,a condition never previously imposed upon me. I declined executing the Bond containing that condition, and returned the same to Mr. Green the Clerk of the Board. Subsequently it was sent to me with the objectionable clause removed and it was then duly signed and returned to Mt. Vernon. I therefore,renew the claim referred to above,as there can be no doubt of its legitimacy,and I expect it together with my account for fuel the three months preceding this date to be approved by your Honorable Board. FENCES - The great trouble that I have incurred in culvating the farm in consequence of there being no cross fences and very poor line fences,has prevented me from reaping but a small portion of the profit which I rightfully had reason to expect. Mr. William Williams the Commissioner who retired from your Honrable Board, and who personally undertook to see attended to the improvements needed on the farm,promised upwards to a year ago to have the necessary fences built but the matter was neglected. There was no other course for me, therefore, but to shift as required the rail fench which intersected the farm in such a way as to keep the stock out of the growing crops. But the rails are decayed to the point that when put up in the best possible manner, a fence formed by them is inadequate to turn stock, and much injury consequently ensues. I consider the moving and errecting of these fences, which occupy much time and labor, should from a just and proper charge to be paid by the county, as nothing better has been furnished me. Yet at the December 1884 term of court my charge for this work was disallowed, although on previous occasions they were paid. I again present my account to your Honarable Board confident that , under the ciccumstances above set forth, the justice of paying it will be clearly seen.

Last Grand Jury's Report. The Poor Asylum when visited in the beginning of last month by the Grand Jury was in every respect in the same condition as when it met the approval of your Honorable Board, and it shall be maintained in that way until my contract terminates. Many who were familiar with this institution previous to 1880, have since my incumbency, time and again, taken occasion to say that a decided improvement had taken place since that time in all matters connected with it. Be that as it may, I had every reason to expect a just if not favorable report. One of the grand jurors, Mr. Hall, before leaving expressed himself to me as having found everything in so much better a condition than he expected, that "We are bound to make a favorable report". I will briefly say first, that the farm is acknowledged by all who know it, to be in such an improved condition from what it was when I took possession of it, at the experation of the term of "James T. Demaree, Foreman" of said grand jury. It is not the right season of the year to form an opinion as to whether the farm is "run down" or not, and the safest way to dispose of it is, by admitting that it is- in the report in question.

There are 30 acres in meadow (allowed to be the finest in the neighborhood), and 24 acres in clover, against 22 acres in clover alone when Mr. Demaree "stepped down and out". None of the manure has been sold off of the place, but has faithfully been used in fertilizing the farm and garden. The thickets have been cleared away, the swamps drained, the crawfish preserves abolished, and 25 acres of tillable land added to the farm. Competent judges claim that the farm is now improved to the value of $1.000. as compared with the date of my entry.

2nd The charges that the "inmates, some of them are covered with vermon and illy kept" are plain misrepresentations.

I assume the responsibility of informing them so, without casting any reflections on the grand jurors whose signatures are not attached to the Report. On the date of their visit there were no vermin at the Asylum nor for sometime before, and I defy the foreman of the grand jury or any other man to substintiate that charge. Within the last year on a few occassions, there were vermin at the Asylum, but they were imported stock from the southern end of the county, and princepally from Black Township. A bath and clean underclothing, previous to those infested with vermin being sent to the Aslylum, would prevent their introduction there, and your Honorable Board would surely consider the trifling expense, thus expended by Trustees well spent! In every instance, however they were by the rigid system of cleaniness observed at the Asylum, immediately stamped out. The relief of the Poor by the county being a benevolent undertaking, economy in their care ought to be subservient to humane principles.

3rd. Every facility was given for ascertaining "the manner in which said Poor House is usually kept" and all relating to the "comfort" and "management" of the inmates. I was myself present and cheerfully gave all the information required.

With the accomodations furnished me by the county I humbly think, that no man could carry out the conditions of my contract, and the instructions of your Honorable Board, better than I have done, yet I would be sorry to deny to those who believe they could preform the duties more satisfactorely, the agreeable delusion their imagination creates.

The education of the children of Posey County was considered of prime importance long before either the RAPPITES or ROBERT OWEN came to Posey County. Early estate settlings include in their inventories books and recipts for the education for their children. Schools were taught in the family kitchen of some of the more wealthy families,church's,and apparently in the county courthouse for their is an order from the County Commissioners for it to cease. The earliest schools were simple one room cabins,and while perhaps for a year or two were dirt floors certainly within a couple of years of the establishment they had wooden floors. Glass was also used within a very short time instead of greased paper. An attempt has been made to not only list early schools,the teachers,but also to docoment as much information as possible.

The County Commissioners upon recipt of a petition for the creation of"THE COUNTY SEMINARY OF THE COUNTY OF POSEY" appointed a COMMISSION for the location of such consisting of GENERAL W. JOHNSON,DANIEL GRASS,GEORGE H. PROFFIT,RATCLIFF BOON. Several locations were considered and ROBERT D. OWEN offered the land free should it be located near the center of the county. The commissionershowever prefered a location at or near MT.VERNON. The following petition was presented to the County Commissioners by a MRS. PITTS on behalf of her husband. It is interesting to note that she was not a memeber of the NEW HARMONY COMMUNITY.

Those signing for the center location were,

Goodspeed's History written around 1882 says that it was built at Mt.Vernon and ran for about 20 years. It was apparently never popular with the people living in the northern end of the county. He states that at one time the County Commissioners tried giving scholorships in hopes of soothing the friction in the various northern townships over it's location. It is interesting to note that many people living in the southern part of the county sent their children to New Harmony and Stewartsville for their education,while those in the northern end sent their children to Evansville, Owensville,Princeton,and Lexington,Kentucy to school.

The children sent to New Harmony for education were more or less privately tutored and kept or boarded in private homes. Robert Dale Owen as well as William McClure had made most generous offers if the location was at or near New Harmony. Elisha Phillip had offered land if a site near the YANKEE SETTLEMENT had been chosen. Education flurished in New Harmony even though the county supported school had been lost. In a few years the WORKINGMEN'S INSTITURE was formed,and many ventures of SOCIAL and SCIENTIFIC nature as well as MUSICAL and THEATHICAL productions came about.

LEONARD'S HISTORY makes mention of the scandals that occured but GOODSPEED and LEFFLE make no mention of them. A search of the court records for that period of time reveal nothing. The legend goes that a student became pregant and that the head master was the father. At any rate the County Seminary was short lived.

Parts of an 1846 school census survives-some lists give the parents, children and their ages, other merely list the number of school age children in each family.

The last three names have the number of children torn off. It is evident that several names were listed twice. The list is in several hand writtings suggesting that several people took the census. Six different school districts are represented.

The following list of school teachers have been gleaned from early estate settlings,few are mentioned in previous writtings. WILLIAM and JOSEPH DAVIS sons of JOHN DAVIS and ELEANOR JOURNEY both taught in the CYNTHIANA,POSEYVILLE AREA 1830's to 1860's. May have been sent to LEXINGTON,KENTUCKY for their education.

WILLIAM,AZBERRY NESBIT also taught in CYNTHIANA area. Educated at AZBERRY COLLEGE later DEPAULY. Died young taught 1830's.

JOHN COOPER came to Posey County around 1820 era taught in several northern Posey County locations.

ALEXANDER FERGUSON died in the 1820's taught in POSEYVILLE area, probably educated prior to coming to KENTUCKY,possibly educated in EUROPE. Several sons and grandsons became school teachers,including JAMES,AZBERRY, JOHN COOPER his son-in-law.

GUTHERIE,JESSE a very early teacher in the STEWARTSVILLE area who died 1823. He had a huge library.

WILLIAM RUTTER who died in the 1830's his inventory included many music books.

FLOYD STINSON in 1844 in JOEL MARTIN'S estate he has a bill for schooling the children.

Several memebers of the JAQUESS family also taught at various times, they were probably educated at LEXINGTON.

SARAH GREATHOUSE taught during the 1820's,reference estate of JOHN MILLER.

WILLIAM GALE taught in 1825 reference MARTIN MARTIN estate.

The description that Goodspeed gives of the early schools seems a little too romantic to be believed. Judging from the size of the estates entered as early as 1820 it is hard to believe that the schools in most of the areas by 1825 were still dirt floored and without glass in the windows.

I have not mentioned the many excellent teachers at New Harmony prior to 1840-many articles and books have been written on the education avialabe there at that time. I will deal with this in a condensed form in the second volume as well as the names and locations of many of the schools up to 1900. Education in Posey County up to the present time will also be dealt with.

NEW HARMONY ACCOUNT BOOKS

In the Archives at the Workingmen's Institute at New Harmony are some account books of the early stores at New Harmony. Starting in 1826 through the 1870's these book contain a wealth of information about the people living in the area. Many of these books are extremely fragile and available only to persons doing serious study. This series known as series 12 start in 1830 are commonly called the Nettleton Series. After alot of names at the head of the account is the name of a realtive for indification or who went security. Other information of genealogical nature has also been recorded.

SERIES12 VOLUME ONE starts in 1830

STALLINGS DIARY

A very old diary type of note book owned by JAMES L. STALLINGS gives much lineage genealogical material on the STALLINGS,and JOHNSON families who lived in the northwestern part of Posey County starting as early as 1810. There have been books and articles on both of these families which differ with the genealogy of the early families,but the material within the diary must have been written during a period of time from 1830 thru 1860 at a time when first hand knowledge would have been avialable. Susan Johnson Williams 1843-1920 has written in the book "This is my father's book,I want to keep it.". She was the daughter of Moses Johnson born 1817 in Posey County who did considerable writting in articles in the New Harmony Newspapers in the 1870's. There are several different hand writtings in the book. A description of the earthquake in 1811 is apparently written by a person who experienced it. It is as follows"On the 16th of December 1811,about two o'clock A.M.,we were visited by a violant shock of an earthquake,accompanied by a very awful noise resembling a loud burst distant thunder but the ground shook and vibrating,which was followed in a few minutes by the complete saturation of the atamophere,with sulfarious vapor, causing total darkness"

She married WILLIS STALLINGS the son of WRIGHT STALLINGS,they were cousins, she had six children and died died in 1828. Above the 28 is written 30 indicating she may have acutually died in 1830.

SUSAN STALLINGS the daughter of REUBEN STALLINGS and MARY his wife was born in FRANKLIN CO.,CAROLINA,on September 13,1787. She married THOMAS HENRY JOHNSON. Raised four sons and one daughter to wit:JOHN JOHNSON who was born in FRANKLIN CO.,NORTH CAROLINA on the 26th of June,1815. The record of ANNA STALLINGS appears between that of the children of her sister SUSAN STALLINGS JOHNSON. It continues as follows" THOMAS JOHNSON camped on his wagon and smith shop near the village. I have failed to mention that while living on SHEDRACK STALLINGS land they had one son and one daughter born,to wit: THOMAS born October 29,1820. MARY was born January 16,1823. While living near HUDRONVILLE they had another son born February 11,1827,GEORGE W. JOHNSON,this was the last child born to them". In December 1827 the family in charge of LARKIN STALLINGS shipped on a flat boat at the MOUTH OF THE SINKING for Mt.Vernon,Indiana where they landed safe on the 24th of December 1827. THOMAS JOHNSON had been here several time prevous.

He stopped with his brother-in-law BENJAMIN STALLINGS who at that time lived four mile east of New Harmony,Posey Co. They had established a wagon and blacksmith shop and worked together until 1830. When Ben having sold his lands to ELIAS JOHNSON(or rather being forced to leave it)on account of the negro situtation between ELIAS and BEN and moved to CLAY CO.,ILLINOIS. In 1831 THOMAS W. JOHNSONmoved to ILLINOIS near WAYNESVILLE and carried on a shop at the JOHN MC BAULEY? stage stand on the old trail road. (Editors note there are several law suits in Posey County involving the sale of negros by the Stallings family. She believes that this reference may be to the negroo blacksmith JUSTIAN CARTRIGHT who lived in the New Harmony area until around 1850 when he went to Wisconsin. One reference to him says that he married a white woman and was forced to leave the area. The New Harmony account book reveals the names of some of his children. No marriage record has been found in Posey County for him)

The following article that appears in the later half of the diary was apparently written at a later date. It is as follows "TRADITIONAL ACCOUNT OF THE JOHNSON FAMILY GIVEN BY THOMAS HENRY JOHNSON IN THE YEAR 1866". The same Johnson at this time lived in Clay County,Illinois where he died September 1869. THOMAS H. JOHNSON was born at SOUTH HAMPTON CO.,VIRGINIA on the 15th of Decemb 1787,where his father MOSES at that time lived. THERE WERE FOUR BROTHERS,HENRY JOHNSON was born about the year 1743. JERKIN was a sailor on the sea,ALANTIC. OLD THOMAS(his uncle) lived in South Hampton County,Virgina near the CROSS ROADS? and enlised in the REVOLUTIONARY WAR and went to SAUNDERSVILLE,GEORGIA, and there he died in service. His relatives were entitled to land but never got it. The warrent said to be in Raleigh,North Carolina. OLD MOSES,(my father) lived in WAKE CO., NORTH CAROLINA,and then in FRANKLIN. There were four sons and three daughters to wit; WILLIAM,JAMES,THOMAS,ELIAS. SALLY died in Kentucky,MICHEAL, and NANCY.(MICHEAL may have been MAHELEA). JAMES was born June 1,1784,SARAH was born September 22,1785,THOMAS was born December 15,1787,ELIAS was born July 3,1789,NANCY was born May 28,1791. No birth date given for MICHALL but her name appears at the bottom of the list. All the above named children were born in Virginia as MOSES JOHNSON did not come to N.Carolina until March 19,1799 as his records show his wife'sname before marriage was MARY BONDEN. In 1810 the records show him to be in MERCER COUNTY,KENTUCKY where NANCY married URBAN WILLIAMS on Septembe 10,1810. WILLIAM died in N. Carolina.
